

REMARKS

This application has been amended in a manner that is believed to place it in condition for allowance at the time of the next Official Action.

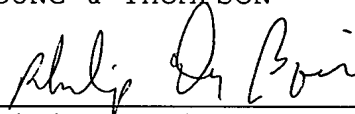

Claims 1-3 are pending in the application. Claim 1 has been amended to incorporate the recitations of claim 4. In addition, the phrase "chlorine-containing resin" has been amended to recite a --polyvinyl chlorine resin--. The 3-methyl range has also been amended to recite --10 to 100 molar parts--. Claim 4 has been canceled.

Applicants believe that the changes to the claims reflect the suggestions of the Examiner issued in the Advisory Action of October 19, 2007. Applicants thank the Examiner for the suggestions and believe that the present application is now in condition for allowance.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
